“Cavaliers and Pioneers”

A CALENDAR OF VIRGINIA LAND GRANTS

1623 - 1800

Compiled by NELL M. NUGENT, Clerk,
VIRGINIA LAND OFFICE,
RICHMOND, VA.

THE Virginia Land Office at Richmond is the repository of priceless records pertaining to the early settlers in the Virginia Colony, which are invaluable to those interested in history and genealogy. Descendants of these first settlers are scattered throughout the United States and the object of this work is to make this material available to those who do not have an opportunity of visiting the Land Office.

Some months ago the compiler began this work and four pamphlets, indexed, were issued. Volumes 5 and 6 will be off the press shortly. Because of the generous reception accorded this work and the ever increasing demand, Mrs. Nugent has decided to continue her compilation in book form, which will be approximately 500 pages, octavo, cloth, fully indexed, Price \$12.00.

A limited number of the six pamphlet issues will be sold at \$1.50 each. The data covered by the pamphlet issues will *not* be included in book form.
